SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — The Henry M. Jackson Foundation for the Advancement of Military Medicine, Rockville, Md., is being awarded an \$8,346,788 indefinite-delivery, indefinite-quantity-type contract with cost-plus-fixed-fee pricing for biomedical research support services for the Naval Health Research Center (NHRC) located at the Space and Naval Warfare Systems Center San Diego. This is a five-year contract with no options. The period of performance is from February 14, 2003 through February 13, 2008. Work will be performed in San Diego, Calif. (80%) and at the NHRC laboratory in San Antonio, Texas (20%). Contract funds will not expire at the end of the current fiscal year. This contract is a result of a Broad Agency Announcement and white paper evaluation of solicitation N66001-02-X-6040. The solicitation was competitively issued through the SPAWAR e-Commerce Central web site and two offers were received. This is one of two contracts awarded for this biomedical research support. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-03-D-2501).
