Space and Naval Warfare Systems Center Charleston Awards Contract

CHARLESTON, S.C. — Engineering Design Group, Tulsa, Okla., is being awarded an \$18,393,510 indefinite delivery, indefinite quantity, cost-plus-fixed-fee multiple award type contract to provide services and supplies in support of Automated Fuel Handling Equipment (AFHE). This proposed contract involves engineering, procurement, installation and technical support for a variety of AFHE systems supporting the Department of Defense and other agencies. This contract contains one base year and four one-year options which, if exercised, will bring the total cumulative value of the contract to the estimated amount of \$48,603,560. The work will be performed in Japan (30%); Spain (5%); Beaufort, S.C. (5%); Whidbey, Wash. (5%); San Diego/North Island, Calif. (5%), and other miscellaneous CONUS/OCONUS sites (50%)* commencing in August 2003. If all options are exercised, work will continue through July 2008. Contract funds in the amount of \$16,666 will not expire at the end of the current fiscal year. This contract was solicited under full and open competition. The request for proposal was posted on the SPAWAR Business Opportunity web-site with four offers received. The Space and Naval Warfare Systems Center, Charleston is the contracting activity (N65236-03-D-7848).

**Incidental tasking encompassing a multitude of job sites which are presently undefined.*
