### **SPAWAR Systems Center San Diego Awards Contract**

SAN DIEGO — \*Pacific Science and Engineering Group, Inc., of San Diego, Calif., is being awarded a \$7,184,868 indefinite delivery/indefinite quantity-type contract with a cost-plus-fixed-fee pricing arrangement to provide human systems, simulation and engineering research, development, test and evaluation support. This two-year contract contains three, one-year options which, if exercised, will bring the total cumulative value of this contract to \$18,981,696. Work will be performed in San Diego, Calif., and is expected to be completed by August 16, 2006. If all options are exercised work will continue through August 2009. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured as a total small business set-aside via the SPAWAR e-Commerce business opportunity website and the Federal Business Opportunities website. One offer was received. The Space and Naval Warfare Systems Center San Diego, Calif., is the contracting activity (N66001-04-D-0005).

*\* Pacific Science and Engineering Group, Inc., is a small business.*
