SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — *CEA Technologies Inc., of San Diego, Calif. is being awarded a \$1,461,422, firm fixed-price, indefinite-delivery, indefinite-quantity contract for maintenance, support, and enhancements of the existing commercially available Active Phased Array Radar. This three-year contract contains two, one-year options, which, if exercised, will bring the total cumulative value of the contract to \$9,855,120. Work will be performed at SPAWAR Systems Center, San Diego, Calif. (10%), at the contractor's site in San Diego, Calif. (50%), and at the Department of Energy's Pantex Plant in Amarillo, Texas (40%). The period of performance of the base award is from September 2004 through September 2007. If all options are exercised work will continue through September 2009. Contract funds will not expire at the end of the current fiscal year. This is a sole source contract award for original manufacturer-supplied equipment required on an urgent basis to support military operations. The Space and Naval Warfare Systems Center, San Diego, Calif. is the contracting activity (N66001-04-D-5038).

**CEA Technologies Inc. is a small business.*
