CHARLESTON, S.C. — Raytheon Systems Company of Sudbury, Mass., is being awarded a \$6,542,871 Indefinite Quantity, Indefinite Delivery, Cost-Plus-Fixed-Fee type contract to provide Relocatable Over-The-Horizon Radar (ROTHR) program technical support services. ROTHR work will include engineering and technical support, management support, integrated logistics and maintenance support, depot, overhaul, training and engineering support services as required by SPAWAR Systems Center Charleston Code 521 in support of the Naval Space Command, Dahlgren, Va. This contract contains one base year and four one-year option periods which if exercised, will bring the total cumulative value of the contract to the estimated amount of \$34,640,099. The work will be performed at the Contractor's facility in Sudbury (70%), and ROTHR Program sites located in Norfolk, Virginia (10%), Premont and Freer, Texas (10%) and Fort Island and Vieques Island Puerto Rico (10%), commencing June 24, 2001. If all options are exercised, work will continue through June 23, 2006. The aggregate value of all orders placed to all awardees shall not exceed the NTE Estimate identified in the contract. Contract funds will not expire at the end of the fiscal year. The contract will initially be obligated with OPN non-expiring funds in the total amount of \$200,000. This contract was solicited as a sole source procurement to Raytheon Systems Company. The Pre-Solicitation Synopsis was posted to the Commerce Business Daily Sept. 18, 2000 advising of the Government's intent to solicit Raytheon on a "Sole Source" basis. The Space and Naval Warfare Systems Center Charleston is the contracting activity (N65236-01-D-5844).
