Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — Resource Consultants, Inc., of Vienna, Virginia, is being awarded a \$5,574,904 indefinite delivery/indefinite quantity-type contract with a cost-plus-fixed-fee pricing arrangement for engineering and related technical, logistical, program management and direct Fleet-support services in support of all submarine Electronics Support Measures (ESM) systems. Contract requirements are in support of in-service-engineering agents' systems execution efforts for naval ocean surveillance and land-based intelligence systems and for technical expertise to the Program Executive Offices, Naval Systems Commands, Naval Intelligence Command and other applicable naval activities. This contract contains four one-year options which, if exercised, will bring the total cumulative value of this contract to \$29,632,725. Work will be performed in San Diego, California (75%) and onboard U.S. Navy vessels and shore activities worldwide (25%). The period of performance is from January 2, 2000 through December, 2004. Contract funds obligated in the amount of \$557,490 are from Navy Working Capital Fund and will not expire at the end of the current fiscal year. This contract was competitively procured, with 45 firms solicited and two offers received. The Space and Naval Warfare Systems Center, San Diego, is the contracting activity (N66001-00-D-5017).
