CONTRACT AWARD DATE: DECEMBER 9, 2003

SAN DIEGO — Titan Systems Corporation is being awarded an \$11,430,853.00 indefinite delivery/indefinite quantity type contract with cost-plus-fixed-fee pricing for systems engineering, test and evaluation, and technical support services of both military and commercial satellite communications systems and subsystems. This three-year contract includes two one-year options, which, if exercised, would bring the total, potential value of this contract to \$19,184,739.00. Work will be performed at the contractor's facility in San Diego (80%) and at Government facilities in San Diego (20%). The period of performance of the base contract is from December 9, 2003 through December 8, 2006. Contract funds in the amount of \$228,617.00 will not expire the current fiscal year. This contract was competitively procured through publication on the Federal Business Opportunities website under solicitation N66001-03-R-5016 and posting on the SPAWAR e-Commerce Central website. Three offers were received. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-04-D-5005).
