Release Nr. CA-2001-031  
Wednesday, June 27, 2001

SAN DIEGO--Titan Systems Corporation, Eldyne, Inc. Division of San Diego, California is being awarded a \$11,666,476 indefinite-delivery/indefinite quantity-type contract with a firm fixed price and time and material pricing arrangement for engineering, development, production and related technical support services for Antenna Tilting Group Systems and related equipment. This procurement will provide components of the Antenna Tilting Group system, which includes development, testing and delivery of first article Tilting Antenna Mechanism's and production unit Tilting Antenna Mechanisms subsequent to acceptance of the first article units and ancillary components. In addition to the requirement for the Antenna Tilting Group, the contractor shall also provide spares kits, installation kits and other associated technical and engineering services in direct support of SPAWAR Systems Center San Diego, Code 265 (formerly Code D65). This contract contains four one-year options, which, if exercised, will bring the total cumulative value of this contract to \$60,724,714. Work will be performed in San Diego (30%), Mineral Wells, Texas (60%), and onboard U.S. Navy vessels and shore activities worldwide (10%). The period of performance is from June 2001 through May 2006. Contract funds obligated in the amount of \$1,495,814 are from Navy Working Capital Fund and expire September 30, 2001. This contract was competitively procured, published in the Commerce Business Daily and posted to the SPAWAR Business Opportunities web site at: [e-commerce.spawar.navy.mil](http://e-commerce.spawar.navy.mil) with three offers received. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-01-D-0028).

Industry point of contact: Mr. Todd Schonenberg, Director of Administration, Titan Systems Corporation, Eldyne, Inc., Division, 3033 Science Park Road, San Diego, CA., 92121, 858-552-9500.

Space and Naval Warfare Systems Center San Diego: Tom LaPuzza, Public Affairs Officer, 619-553-2724.

Space & Naval Warfare Systems Command Public Affairs Office and Corporate Communications Office, San Diego, Mr. Richard Williamson, 619-524-3432 or Ms. Gloria Ewing, 619-524-3433.
