Space & Naval Warfare Systems Center Awards Contract

SAN DIEGO — SRI International of Menlo Park, California, is being awarded a \$7.6 million Indefinite Delivery, Indefinite Quantity type contract with a cost plus fixed fee pricing arrangement for speech understanding, extraction, and summarization technology research; and dialogue management research in support of an interactive, adaptive, decision-centered, visualization environment for the command post and similar domains. This contract contains no options. There is a minimum guarantee of \$760,000. Work will be performed in Menlo Park. The period of performance is from August 16, 1999 to November 15, 2003. Contract funds will not expire at the end of the current fiscal year. This contract was competitively solicited through a Broad Agency Announcement published in the Commerce Business Daily, with 122 offers received. Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-99-D-8504).
