### **Space and Naval Warfare Systems Center San Diego Awards Contract**

SAN DIEGO — LBI, Inc., of Groton, Conn., is being awarded a \$5,932,885 indefinite delivery, indefinite quantity (IDIQ), firm fixed price contract for fabrication, testing, delivering first article and production of MK 33 MOD 0 Accessory Sets, Bottom Interfaces, Volume Interfaces, and other associated subcomponents. These are equipment housings deployed by Navy marine mammals to mark underwater objects. Work will be performed in Groton, Conn., and is expected to be completed by September 2008. The contract base period is five years and contains no options. Contract funds will not expire at the end of the current fiscal year. This procurement was set aside for small business concerns to fulfill statutory requirements, as per FAR 6.203. A synopsis notice was published on the Federal Business Opportunities website on September 11, 2001, under Schedule No. N66001-02-R-0041 as an IDIQ contract and three offers were received. Space and Naval Warfare Systems Center, San Diego, Calif. is the contracting activity (N66001-03-D-0005).
