SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — Computer Sciences Corporation, Defense Group, of San Diego, Calif. is being awarded a \$5,452,464 indefinite delivery/indefinite quantity type contract with cost-plus-fixed-fee pricing for engineering services to support information systems and network technology programs. This contract is one of three contracts awarded; all three awardees will compete for task orders during the ordering period. This one-year contract includes four one-year options, which, if exercised, would bring the potential cumulative value of this contract to \$28,062,437. Work will be performed at the contractor's facility in San Diego, Calif. (50%) and at Government facilities in the U.S. and abroad (50%). The period of performance of the base contract is from April 28, 2004 through April 27, 2005. Contract funds in the amount of \$181,749 will not expire at the end of the current fiscal year. This contract was competitively procured via the Federal Business Opportunity website (under solicitation N66001-03-R-5021) and the SPAWAR e-Commerce Central web site. Four offers were received. The Space and Naval Warfare Systems Center San Diego, Calif. is the contracting activity (N66001-04-D-5031).
