For Release at 5:00 p.m. ET
Release Nr. CA-2001-032
Wednesday, June 27, 2001

SAN DIEGO —Innovasystems International LLC of Alpine, California is being awarded a \$5,490,393 indefinite-delivery/indefinite quantity-type contract with a cost plus fixed fee pricing arrangement in support of Type Commanders Readiness Management System (TRMS). TRMS is a readiness and analysis system that pulls together a wide range of fleet readiness data. This contract contains one one-year option, which if exercised, will bring the total cumulative value of this contract to \$11,290,747. Work will be performed in Alpine, California (10%), and various Government sites (90%). The period of performance is from June 2001 through May 2003. Contract funds obligated in the amount of \$495,000 are from Navy Working Capital Fund and expire September 30, 2001. This contract was sole source procured in accordance with FAR 6302-1, published in the Commerce Business Daily and posted to e-commerce.spawar.navy.mil. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-01-D-5001).
