Space and Naval Warfare Systems Center Awards Contract

SAN DIEGO — Fuentez Systems Concepts, Inc., Charleston, S.C., is being awarded an indefinite-delivery/indefinite-quantity-type contract, with cost-plus-fixed-fee pricing, with a potential value of \$8,292,053, to complete integrated software installations and upgrades of networked systems in support of the Space and Naval Warfare Systems Center San Diego Communications Network Fleet Engineering Systems Division. This contract is one of three contracts awarded; all three awardees will compete for task orders during the ordering period. This one-year contract includes four, one-year options, which if exercised, will bring the maximum potential value of this contract to \$42,168,824. The period of performance of the base contract is from June 30, 2003 through June 29, 2004. All work will be performed in San Diego, Calif. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured with three offers received via the Space and Naval Warfare Systems Command E-commerce web site via the Commerce Business Daily. The Space and Naval Warfare Systems Center, San Diego, Calif., is the contracting activity (N66001-03-D-5049).
