### **Space and Naval Warfare Systems Center San Diego Awards Contract**

SAN DIEGO — Falon, Inc., of San Diego, Calif., is being awarded an \$11,390,604 cost-plus-fixed-fee, indefinite delivery, indefinite quantity (IDIQ) contract for navigation warfare systems, to include continued engineering support and development of the Location of Global Positioning System Interferers System (LOCO GPSI). Tasking may also include the support of simulation and exercise activities in the development of concept of operations, an Advanced Concept Technology Demonstration exercise, and platform integrations leading to the deployment of LOCO GPSI systems. This contract includes two, one-year options, which if exercised, would bring the total cumulative value of this contract to \$20,263,623. Work will be performed at the contractor's facility in San Diego, Calif., and is expected to be completed by August 2004. If all options are exercised, work will continue through August 2006. Contract funds will not expire at the end of the current fiscal year. This contract was published on the Federal Business Opportunities, website in the form of a synopsis notice on April 11, 2003, as a sole source follow-on, IDIQ contract. No other offer was received. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-03-D-0027).
