Space and Naval Warfare Systems Center Charleston Awards Contract

CHARLESTON, S.C. — Titan Corporation, Mt. Laurel, N.J., is being awarded a \$8,840,575, indefinite delivery, indefinite quantity, cost-plus-fixed-fee type contract for engineering and technical services to support Space and Naval Warfare Systems Command Joint Unmanned Aerial Vehicle Operations to include hardware integration, systems engineering, software engineering and software integration. This contract includes a base year and three one-year options which, if exercised, would bring the cumulative value of this contract to \$36,662,710. Work will be performed in Charleston, S.C. (25%) and Norfolk, Va. (75%) and is expected to be completed by September 2004. If all options are exercised, the period of performance will continue through September 2007. Contract funds in the amount of \$50,000 will not expire at the end of the fiscal year. This contract was competitively procured under full and open competition. The Request for Proposal was posted on the SPAWAR Business Opportunity website. Fifty offerors were registered on the SPAWAR E-commerce web site, with two offers received at closing time. The Space and Naval Warfare Systems Center, Charleston, is the contracting activity (N65236-03-D-7849).
