Space & Naval Warfare Systems Center Awards Contract

CHARLESTON, S.C. — Eagan, McAllister Associates Inc. of Lexington Park, Md., is being awarded an indefinite delivery, indefinite quantity, cost plus fixed fee, task order type contract, in the estimated amount of \$6,815,332.51 (base year), to provide engineering support services, including: test and evaluation, systems engineering and integration, operational systems engineering, logistics, and configuration management support services. Services are required to support a wide variety of electronic equipment, systems, and subsystems, under various programs, including: Air Traffic Control (ATC); Radiation Detection, Indication, and Computation (RADIAC); meteorology; navigation and environmental systems; visual and infrared sensor systems; undersea warfare; and, ship systems integration. Work will be performed in Charleston (86.2 percent), Tampa, Fla. (4.6 percent), Panama City, Republic of Panama (4.6 percent), and, St. Inigoes, Md. (4.6 percent). The period of performance for the base period shall be December 11, 1999 through December 10, 2000. The contract will contain four one-year option periods, which if exercised, will bring the total cumulative value of the contract to \$40,921,621.52 (total dollar amount including options). The contract will initially be obligated with PDA funds (expiring Sept., 30, 2000), in the amount of \$50,000.00. This contract does not involve Foreign Military Sales. This contract was competitively procured with thirty-eight (38) proposals solicited and one (1) offer received. The Space and Naval Warfare Systems Center Charleston is the contracting activity. Contract number is N65236-00-D-3814.
